Health & Safety Protocols

We are
NorthStar

Education is the cornerstone of our community. The NorthStar Program partners with educators to prepare our young men to set the bar higher and reach their full potential.

A great journey is a result of great guidance. NorthStar is committed to expanding opportunities for boys to find and follow their own paths to success.

NorthStar is making an impact on North Omaha and the surrounding community. We're continuing to build academic, athletic and social programs for NorthStar families, doubling our facilities in the next two years. We are the only all-boys after-school program in Omaha serving grades 3-12 during the school year, and grades 3-9 during Camp NorthStar Summer School, with an emphasis on academic success, competitive athletics, experiential learning, and opportunities to build job-readiness skills.

ENROLL

Welcome to the new **NorthStar** Online Enrollment Process.

NorthStar grows brighter with the support of your generous investment.

Our Community

A measurable impact on North Omaha economics, safety and community.

NorthStar Stats
Number of young men in grades 3-12 NorthStar has enrolled this year.
The average daily attendance for students in the after-school program.
Schools NorthStar provides transportation to during the academic year.
Average amount of program hours per student each year.

Testimonial
Kerry Michael
NorthStar Mom
"They have a great staff and a manageable number of students. It’s a haven for boys, and that’s what they need. I appreciate giving him the safety and security that NorthStar provides. He’ll stay as long as he can. It’s like a second home for him."

Testimonial
Shannon Hendrickson
NorthStar Mom
"I think it’s very important that young men learn to come together and appreciate each other and respect each other and respect their differences. I think my son can get that here."

Testimonial
Stephanie Black
NorthStar Mom
"As an educator, the academic piece is really important to me. I like that NorthStar students do math, reading and science programs, as well as get help with their homework."

Ready to get Involved?

We are proud of the incredible outcomes we’ve achieved in the few short years we’ve been operating, and it is in large part due to the incredible support from our community. Learn how you can get
Coming Back September 8th. Enrollment & availability.
