- **Your success is ours** - We win together.
- **We work smart and we work hard** - We creatively solve tough problems and we'll get our hands dirty if that's what it takes.
- **We respect honest feedback** - We ask for and give honest feedback in an ongoing quest to be the best team.

- **Operational Stewardship** - We are excellent stewards of donor and community resources with a well-planned entrepreneurial approach to non-profit management
