## KEYNOTE SPEAKER: ARSHAY COOPER

Arshay Cooper is a rower, regional bestselling and award-winning author, motivational speaker, activist, and protagonist of *A Most Beautiful Thing*, the film based on his autobiographical memoir.

Arshay grew up on the West Side of Chicago. In 1997, he joined and later became captain of the first all-Black high school rowing team at Manley High School, an experience that changed his life. Arshay has since started several rowing programs for low-income youth across the country.

Cooper now leads the A Most Beautiful Thing Inclusion Fund, which seeks to provide access and resources to underserved communities by getting more youth on the water nationwide who wouldn't ordinarily have the opportunity to do so.
