

CAMP NORTHSTAR 2023

SUMMER PROGRAM SUPPORT

NorthStar is the only all-boys after-school program in Greater Omaha. Our Camp NorthStar summer program is designed to support the academic growth of NorthStar boys in grades 3-9, and expand employment and engagement opportunities for young men in grades 10-12. Programming centers around our three core areas of focus: **Academics, Adventure, & Athletics**. Monday through Friday, during critical summer months, NorthStar provides breakfast and lunch to over 250 students. Camp NorthStar activities take place on NorthStar's 15-acre campus, and offsite, throughout Greater Omaha and the surrounding area!

LEARNING LOSS? NO WAY!

School's out, learning continues! NorthStar's after-school reading & math program utilizes FastBridge Learning curriculum for students who need academic intervention the most. Camp NorthStar continues these efforts during summer months, to provide structured support and gains in the midst of summer camp fun!

WHAT WAS YOUR FIRST JOB?

NorthStar employs 15 high school interns each summer. For many, it will be their first job, structured to provide an experience to learn and practice being quality employees outside of NorthStar. Showing up on time, being present in your work, taking feedback/coaching, are all a part of the internship experience; instilling the skills to succeed beyond their time at NorthStar!

KEY STATS: WHO WE SERVE

98%
qualify for free and reduced lunch

95%
identify as Black or African-American

33%
with identified special needs
(compared to OPS average of 18%)
