- ☐ **Pikmykid - for dismissal**
Speed up your students dismissal by using PikMyKid! Check-in on arrival for secure and safe student pick-up.

OUR PROGRAM

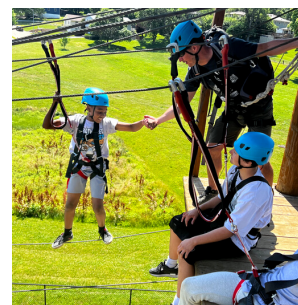

When students arrive after school, we fuel learning and homework time with a snack! Then it's off for more activities in our three key areas of focus:

Academics

Each grade level receives homework assistance from our supportive advising staff and opportunities for STEM learning. Elementary & Middle School students have access to targeted math & reading support for those needing extra assistance to get on track in those subjects. High School (Leaders & Achievers) students focus on one-on-one tutoring, career readiness opportunities, graduation readiness and ACT support as needed.

Adventure

We offer onsite activities like mindfulness, an indoor rockwall and a high ropes course in our backyard. NorthStar Adventure also takes students offsite for biking and hiking outings!

Athletics

NorthStar boys can compete year round on our basketball, soccer and lacrosse teams; providing opportunities for young men to develop values of respect, responsibility, teamwork and character.

WHO WE ARE

Our mission is to change young men's lives through programming that supports, challenges, inspires and instills a life rooted in education, self-discipline and service to the community.

WHAT WE DO

We offer Academics, Adventure and Athletic programming for young men in grades 3-12.

Our goal is to build within them the skills required to graduate on time and to provide pathways to future education or employment so they can lead happy, healthy lives!

SCAN TO REGISTER:

Financial Information

The cost to register students in grades 3-8 is \$50 for the Academic After-School program. (August-May)

There is no cost to register students in grades 9-12. Continued participation is contingent on the student's investment of time, effort and positive behavior.

Transportation

NorthStar picks up from many area schools! To see if your student's school is on our pick-up list for the current academic year, visit northstar360.org/faqs/

Schedule & Closures

Our after-school program runs from August to May, Monday-Friday from 3:00 PM - 7:00 PM.

NorthStar follows all inservice days and closures as outlined Omaha Public Schools Calendar. If your student is non-OPS, make sure to note those dates as we will not have transportation or programming!
