ALL BOYS AFTER-SCHOOL PROGRAM

OUR MISSION

NorthStar's mission is to change young men's lives through programming that supports, challenges, inspires and instills a life rooted in education, self-discipline and service to the community.

ACADEMICS

NorthStar Academics aims to provide educational and social opportunities for student enrichment alongside NorthStar Adventure and Athletics. Key components of NorthStar Academics programming include academic achievement, reading and math tutoring, and career readiness. Our after school program is tailored to each age range we serve.

OUR PROGRAM

When students arrive after school, we fuel learning and homework time with a snack! Then it's off for more activities in our three key areas of focus.

REGISTRATION CHECK-LIST

- Go online to northstar360.org/register. To begin, select your application type:
- 1 New Students**
Complete the Pre-Registration form for students who have never been to NorthStar
- 2 Returning Students**
Log in to your existing PowerSchool account to submit the current enrollment forms.
- Remind** - for alerts & updates
Download the Remind App and receive important updates, schedule reminders and events, direct through text messaging and two-way conversations with staff.
- Pikmykid** - for dismissal
Download the PikMyKid app, this will ensure a quicker and smooth dismissal process to help your students exit the building at the end of programming.

ADVENTURE

NorthStar Adventure works with our youth and our community to teach transferrable skills in leadership, collaboration and communication. We encourage individuals and teams to transcend self-imposed limits and reach new heights.

ATHLETICS

NorthStar boys can compete year round on our basketball, soccer and lacrosse teams!

ACADEMIC PROGRAM

ELEMENTARY SCHOOL (grades 3-5)

NorthStar Academics at the elementary school level is focused on building foundational skills that will prepare students for success in middle school and beyond. Programming for this age range includes daily practice of core math and language arts skills. Students also develop social, emotional, cognitive, and physical skills through play during enrichment activities. Additional aspects of programming often include art, science, social studies, and wellness.

TRANSPORTATION

NorthStar picks up from many area schools! To see if your student's school is on our pick-up list for the current academic year, visit northstar360.org/schools.

SCHEDULE

Our after-school program runs Monday- Friday 3:00 PM - 7:00 PM from August to May, following the Omaha Public Schools Calendar.

NorthStar follows all inservice days and closures as outlined by the OPS Calendar. If your student is non-OPS, make sure to note those dates as we will not have transportation or programming.

PROGRAM COMMUNICATION

Once a student is enrolled for NorthStar, parents/guardians are sent an invite to our Remind Communication system. Accept NorthStar's invite to receive texts and/or emails about safety/ health notifications, upcoming events, closures, and our weekly engagement newsletter.

FINANCIAL INFORMATION

The cost to register students for the After-School program in grades 3-8 is \$50. There is no enrollment fee for grades 9-12. Continued participation is contingent on the student's investment of time, effort and positive behavior.
